MSRP*
* 2006 Manufacturer's Suggested Retail Price (MSRP): Actual dealer price may vary. Pricing, specifications, standard features and available equipment are based on information available when this page was produced and are subject to change without notice. MSRP excludes Delivery, Processing and Handling Fee (DPH). Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyota's charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee. Excludes taxes, license, title and available or regionally required equipment.

The following option combinations are available in your area

4x2 SR5 5-Speed Automatic (7910)

Option Combo A \$1,150.00

Convenience Package includes: Heated Dual Color-Keyed Power Outside Mirrors, Accessory Meter w/Compass, Outside Temperature, Fuel Consumption, Fuel Range & HomeLink® [5] (CQ) Driver & Front Passenger Side Airbags and Front & Second-Row Side Curtain Airbags [4] (GY) Keyless Entry (KE)

Option Combo C \$3,510.00

Convenience Package (CQ)
Roof Rack (DR)
JBL 3-in-1 AM/FM/Cassette/6-Disc In-Dash CD Changer w/10 Speakers in 6 Locations (EJ)
Keyless Entry (KE)
Privacy Glass (PG)
Preferred Package #1 includes: Leather-Trimmed Interior w/Power-Adjustable Front Captain's Chairs w/Adjustable Headrests and Steering Wheel-Mounted Audio Controls (PM)
Running Light System (RL)
Styled Steel Wheels & Overfenders w/P265/70R16 Radial Tires (ST)

Option Combo E \$4,925.00

Alloy Wheel Package #2 (AG)
Convenience Package (CQ)
Roof Rack (DR)
JBL 3-in-1 AM/FM/Cassette/6-Disc In-Dash CD Changer w/10 Speakers in 6 Locations (EJ)
Driver & Front Passenger Side Airbags and Front & Second-Row Side Curtain Airbags [4] (GY)
Keyless Entry (KE)
Integrated Fog Lamps/Driving Lamps (LF)
Running Light System (RL)
Power Tilt/Slide Moonroof w/Sunshade (SR)

Option Combo G \$8,265.00

Alloy Wheel Package #2 (AG)
Convenience Package (CQ)
JBL AM/FM/Cassette/CD w/10 Speakers in 6 Locations & In-Glass Antenna w/FM Diversity Reception (DJ)
Roof Rack (DR)

Option Combo B \$2,020.00

Alloy Wheel Package #1 includes: 16-in. 6-Spoke Aluminum Alloy Wheels w/P265/70R16 Tires, Running Boards, Rear Privacy Glass, 150-Amp Alternator, Towing Hitch Receiver & Wiring Harness w/7-Pin Converter (AH)
Roof Rack (DR)
Keyless Entry (KE)
Integrated Fog Lamps/Driving Lamps (LF)

Option Combo D \$3,925.00

Alloy Wheel Package #2 includes: 17-in. Split 5-Spoke Aluminum Alloy Wheels w/P265/65R17 Tires, Running Boards, Rear Privacy Glass, 150-Amp Alternator, Towing Hitch Receiver & Wiring Harness w/7-Pin Converter (AG)
Convenience Package (CQ)
Roof Rack (DR)
JBL 3-in-1 AM/FM/Cassette/6-Disc In-Dash CD Changer w/10 Speakers in 6 Locations (EJ)
Driver & Front Passenger Side Airbags and Front & Second-Row Side Curtain Airbags [4] (GY)
Keyless Entry (KE)
Integrated Fog Lamps/Driving Lamps (LF)
Running Light System (RL)

Option Combo F \$6,695.00

Alloy Wheel Package #2 (AG)
Convenience Package (CQ)
Roof Rack (DR)
JBL 3-in-1 AM/FM/Cassette/6-Disc In-Dash CD Changer w/10 Speakers in 6 Locations (EJ)
Driver & Front Passenger Side Airbags and Front & Second-Row Side Curtain Airbags [4] (GY)
Keyless Entry (KE)
Integrated Fog Lamps/Driving Lamps (LF)
Preferred Package #1 (PM)
Running Light System (RL)
Power Tilt/Slide Moonroof w/Sunshade (SR)

Option Combo H \$10,675.00

Alloy Wheel Package #2 (AG)
Convenience Package (CQ)
Roof Rack (DR)
Rear Seat DVD Entertainment System (EY)
Driver & Front Passenger Side Airbags and Front & Second-Row Side Curtain Airbags [4] (GY)

Warranties

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, front-wheel drive, rear-wheel drive, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Federal Emission Coverage: Components under the federal emission defect warranty are covered for 36 months/36,000 miles and specified major emission control components are covered for 8 years/80,000 miles. Specified major emission control components under emission performance warranty are also covered for 8 years/80,000 miles. In addition, emission performance warranty is applicable for 24 months/24,000 miles in states and local jurisdictions that require a periodic EPA-approved inspection and maintenance program.

California Emission Control Coverage: In California and any other state that adopts California emission warranty provisions, performance warranty and defect warranty coverage is applicable for 36 months/50,000 miles, and specific control devices are covered for 7 years/70,000 miles.

Accessories: Warranty coverage is for 12 months, regardless of mileage. If the part or accessory is installed during the New Vehicle Limited Warranty period, coverage is for 12 months or the remainder of the applicable warranty coverage, whichever is greater, with the exception of car covers, which are covered for 12 months only.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable Owner's Warranty Information booklet or see your Toyota dealer.

In addition, there may be times when we will establish a special policy adjustment that will further defray repair costs. For details about the new vehicle limited warranty, see your Toyota dealer. And for complete details of Toyota's warranties, please refer to your Owner's Warranty.

[1] Toyota Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your Owner's Manual for further details.

[2] 4-wheel Traction Control in 4WD mode only. Rear-wheel Traction Control in 2WD mode.

[3] Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions.

[4] The Toyota driver, front passenger, front seat-mounted side airbags and side curtain airbags are Supplemental Restraint Systems (SRS). The driver and front passenger airbags are designed to deploy in severe (usually frontal) collisions where the magnitude and duration of the forward deceleration of the vehicle exceed the design threshold. The side airbags and side curtain airbags are designed to deploy in certain types of severe side-impact collisions. The front and rear side curtain airbags are also Roll-Sensing Curtain Airbags (RSCA) and are designed to deploy at a severe tilt degree, roll or lateral G-force. In all other accidents, the airbags will not deploy. To decrease the risk of injury from a deploying airbag, always wear seatbelts, sit upright in the middle of the seat as far back as possible from the airbag modules and do not lean against the door. Do not put objects in front of an airbag or around the seatback. Do not use rearward-facing child seats in any front passenger seat. The force of a deploying SRS airbag may cause serious injury or death. Please see your Owner's Manual for further instructions. Vehicle complies with "Advanced Airbag" requirements of FMVSS 208.

[5] HomeLink® is a registered trademark of Johnson Controls, Inc.

[6] The Toyota DVD navigation system is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Changes in street names, road closures, traffic flow or other road system changes may affect the accuracy of the mapping software. Rely upon your common sense to decide whether or not to follow a specified route. Detailed coverage not available in every city. Optional periodic geographic updates available at an additional cost. See your Navigation System Owner's Manual and your Toyota dealer for further details.

[7] Before towing, confirm your vehicle and trailer are compatible, hooked up properly and you have all necessary additional equipment. Do not exceed any Weight Ratings and review all instructions and cautions from your trailer hitch manufacturer and Toyota vehicle Owner's Manual. Note that the maximum amount you can tow depends on the total weight of any cargo, occupants and optional equipment in the vehicle.

[8] Includes weight of occupants, optional equipment and cargo; limited by weight distribution.

[9] Cargo and load capacity limited by weight and distribution.

[10] 127.9 cu. ft. with moonroof.

[11] 2006 preliminary mileage estimates determined by Toyota. EPA mileage estimates not available at time of posting. Actual mileage may vary.

[12] Requires JBL® AM/FM Cassette/CD with ten speakers, JBL® AM/FM Cassette/CD 6-disc in-dash changer or navigation system.

[13] Requires JBL® AM/FM Cassette/CD with eight speakers and steering wheel audio controls, or DVD navigation system with AM/FM/CD and six speakers or JBL® AM/FM/CD and eight speakers.

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your local Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at time of request, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only (may differ in the state of Hawaii, Puerto Rico, the U.S. Virgin Islands and in other regions).
